

# Health Records

Villanova University requires that students maintain an official health record at the Health Center. Students who fail to submit a completed health record will have a registration hold placed on their student accounts. Health records are subject to Pennsylvania state law (specifically 35 P.S. Section 10101) which states that any minor who is eighteen years of age or older, or has graduated from high school, or has married, or has been pregnant, may give effective consent to medical, dental and health services for themselves, and the consent of no other person shall be necessary.

Information contained in this record will only be released to the student or an attending physician if consent to release the information to another person is provided by the student or otherwise as required by law.
