

Creating a Community of Respect

Vision

As members of a Catholic and Augustinian University, each Villanovan is responsible for creating a community, where mutual love and respect for individual differences guide our community life.

Community Ideals:

As a member of this community

1. I work to create a welcoming community where the dignity of each person is valued and respected.
2. I am committed to an educational environment where teaching and learning are at the center of who I am and what I do.
3. I embrace selfless action in the interest of the common good with integrity, compassion and humility guiding my decisions and behavior.
4. I acknowledge that respect, justice and love define us as a community and are the standards by which I measure the success of my interactions.
5. I contribute to the community through active participation in campus life and service to others.

I acknowledge that Villanova University's Catholic and Augustinian identity calls me to integrate these ideals into my daily life.

Maintaining these community ideals is the responsibility of every member of the University community. Students, staff and faculty should, through their behavior, reinforce the ideals expressed in this document and encourage all members of the community to do likewise. In support of this, the Office for Intercultural Affairs assists the community in providing an inclusive educational experience grounded on Augustinian principles. The Center's task is to promote a respectful environment, intercultural awareness and community outreach.
