

Vandalism

Intentionally, recklessly, or negligently, but not accidentally damaging, destroying, defacing or tampering with University property or the property of another are all prohibited, as is the attempt to or conspiracy to damage, destroy, etc. Such conduct is likely to result in disciplinary action up to and including suspension, the loss of campus residency, community service, and/or responsibility for restitution.

Vandalism of University property designed for safety and security purposes (e.g. exit signs) are considered more serious and therefore subject to more severe sanctions, including suspension or loss of campus housing.
